BY JUNIOR ACHIEVEMENT

BUILDING BLOCKS OF ACHIEVEMENT

Our 3 Building Blocks of Achievement are staples in the education of students throughout Tampa Bay.

JA BizTown's student run mini-city gives elementary students their first introduction into economics, civics, career exploration, entrepreneurship and financial literacy.

In JA Finance Park, middle schoolers are assigned a job, salary, and family unit to dive deeper into the concepts of budgeting, investing, credit, and more.

Through 3DE, high schoolers are getting first hand introductions to the careers in their community, working with local businesses to solve business case challenges, and developing skills to enter the workforce prepared to succeed.

As a coach at TBU for the past seven years I can't think of a more worthwhile partner to work with in my main occupation as an independent insurance agent and knowing that 50% of my sponsorship money goes directly to the general financial aid scholarship fund makes it even more rewarding to me. Giving back to the game is why I coach and if I can help soccer families with their insurance needs as well as those with soccer financial needs then I am triply fulfilled.

As an insurance agent for the past 25 years I have always strived to do the best for my clients by making sure that they get the best quality coverage at the best possible price, and as a father of a 16 year old daughter that is now driving I totally understand the financial hardship of insuring them, so I have found some of the best companies in Florida for youthful drivers. I already represent many TBU staff members, coaches and families, so let me see if I can help you too!
